

## Meet and Greet

Recruiting is a two-way street.

SightWise Solutions' immersive, consultative approach applies equally to both candidates and business clients. We match companies with candidates and candidates with companies, one by one—a unique position that helps us view the business world from both sides of the desk, and helps us get companies suffering from talent or interviewing process mismatches back on track.

SightWise Solutions offers:

**Recruiting**— for direct hire and contract positions in the following business lines:

- Marketing/Business Development
- Professional Customer Care/Account Management
- Supply Chain/Operations/Logistics/Purchasing
- Process Improvement/Quality
- Executive Administration Support

**Consulting**— process improvement advisement to help your company interview better, hire more efficiently, and train employees to be more productive more quickly.

- Process Mapping
- Procedures Documentation
- Instructional Design
- Train-the-Trainer
- Quality Management System Design
- Problem Solving
